LAKE WORTH-POMPAHO**

Lack of height brought the Belle Glade Rams to defeat again during the past week. Lake Worth's Trojans turned in a solid 44-30 performance at their home floor last Friday night. The Rams' hide was thoroughly tacked to the wall by Pompano's Conference leaders, 117-45. The Rams had 11 field goals but added 23 points at the foul line against a Beaniepicker squad which has been consistently rough all season.

Beanpicker "Scooter" Buck was impressive in gathering 24 points in his two quarters of play. Inver McGafferty and B. J. Thomas gathered 12 each and Jack Parker hit for 10. "Twas a dismal evening."

#### IMPORTS AT PALM BEACH RANK SECOND IN STATE

Foreign trade through eight of  
Florida's larger ports was  
made up of \$160,000,000 in ex-  
ports and \$145,000,000 in im-  
ports in 1952.

Since only a small amount of  
Florida imports and exports are  
held in transit, these totals may  
be added, indicating a total of  
\$306,000,000 as the value of the  
foreign trade of Florida's ports.  
In 1952 showed a decline in  
value of about \$30 million while  
imports were up \$64 million.

Values handled by each of  
the eight ports in 1952 are given  
in this week's business review  
of the State Chamber's research  
and industrial division. West  
Palm Beach ranked first in  
value of exports with \$57,300,000.  
Miami shipped \$22,700,000.  
Tampa \$18,900,000; Jacksonville  
\$18,000,000; Pensacola \$8,300,000.  
Panama City \$800,000.  
Boca Grande and Port Everglades  
\$600,000 each.

The value of imports ranked  
Jacksonville first with \$67,000,000;  
West Palm Beach \$27,000,000;  
Miami \$20,200,000; Tampa  
\$14,500,000; Port Everglades  
\$1,100,000; Pensacola \$4,400,000;  
and Panama City \$2,100,000.  
State totals include amounts  
not listed above.  
These tabulations refer only to  
foreign trade and not to total  
port activity which is greatly  
augmented by domestic and in-  
tracostal traffic.

#### SAVINGS BOND SALES UP 48.4% FOR COUNTY

Palm Beach County was one  
of the 51 states which con-  
tributed to a whopping \$13.9  
million gain in Savings Bond  
sales in Florida during 1953 ac-  
cording to a statement by E. M.  
Lively, Belle Glade, chairman  
of the Treasury's Savings Bonds  
Committee. This year's sales  
of Series E & H Bonds in Palm  
Beach were \$2,857,301 a gain  
of 49.4 percent over 1952's \$1,912,863.

For the state as a whole the  
sales were \$31,853,410, an in-  
crease of \$13,446,512 or 36.8%  
over last year's volume, and  
Florida receives in addition a  
pro-rata credit for purchases by  
armed service personnel and  
civil service employees paid from  
central disbursing offices ac-  
mounting to \$4,298,274, which  
brings the grand total for Flori-  
da for the year to \$36,151,684  
or 96.2 percent of its assigned  
quota, Mr. Lively explained.

"With the added emphasis  
which the Treasury Department  
is placing on the Savings Bonds  
program as one of the prere-  
quisites to its sound money ob-  
jectives, it has adopted a slogan  
— A billion more in '54," Mr.  
Lively added, "and it may be  
expected that Palm Beach Coun-  
ty will be assigned a proportion-  
ately larger goal this year  
to help meet the state's larger  
quota."

University, Tallahassee, is a de-  
pository for United States Gov-  
ernment publications.

also and a short quiz period  
was conducted by the sponsor  
as a result of emphasizing the  
art of good listening. The au-

Mrs. Murrell says, "Today in  
the vital health program 'The

the words of the great com-  
mandment, Love thy neighbor  
as thyself." In the face of cur-

NEW CHURCH FOR SOUTH BAY BAPTISTS  
GROUND BREAKING SERVICES JAN. 21st

Rev. John Cooper of South Bay announces ground breaking services for the proposed new Baptist Church to be held on Sunday, January 31 at 2 o'clock. Rev. Hal Hunter, pastor of the Pahokee Baptist Church and moderator of the Palm Lake Association, will make the address.

The present church is located on the main highway, U. S. No. 27 and SR No. 80. That site will be abandoned and sold, the pro-

ceeds to go into the new building which will be located in the Roodman-Hardy Subdivision. The building fund has been accumulating for several years as the need for a new edifice became clear. A part of the new site was donated by Roodman-Hardy, additional lots having been purchased by the church.

The erection of the church will start at once under direction of the building committee composed of M. J. Hardy, A. J. Williams and W. L. Cunningham. Bob Davis of Belle Glade will be the builder and the architect is Chester A. Cone of Miami.

The church will be on a flood plain 84 x 45 feet, of concrete block construction, stucco on the exterior and plastered on the interior with a pitch and gravel 20 year guaranteed roof, cement floor laid with tile. Miami opening windows will be used throughout.

The main auditorium and balcony will seat 368 persons.

The overall plan calls for an additional building to house the Sunday School and recreation room, but for the present, the balcony will be divided into four Sunday School rooms. The two rooms at the front of the church to be used as Church office and pastor's study will do double duty for the present as Sunday School classrooms. In the rear will be the rest rooms, dressing room and two Sunday School rooms.

## EPISCOPALIANS WILL MEET TO SELECT PROPERTY SITE

Members of St. John's the Apostle Episcopal Church will hold a congregational meeting Tuesday evening, January 26, 8:00 p.m., at the Women's Club house to discuss selection of a property site for a new church building.

The church has grown rapidly since its organization and immediate steps must be taken to acquire property for a building, according to Emmett Roberts. All members are urged to attend and give the vestry the benefit of their ideas on the important question.

## LUTHERANS TO HOLD GROUND-BREAKING

Rev. Walter Schoep, pastor of St. Peter's Lutheran Church, will conduct ground-breaking services at 3:30 p.m. next Sunday at the site of the future Lutheran Church. The property is located directly west of the new high school building in Belle Glade.

The congregation has met in various places in the community, but for the past several years has held services each Sunday night in the Women's Club House. Approximately two years ago a Sunday School was organized with nine members, and has more than doubled in size.

At the annual election of officers for the congregation held Sunday, January 10, Paul C. Kirchman was re-elected president; J. G. Allhands, secretary; Charles Redmer, treasurer. F. W. Kirchman and Frank Krueger were elected elders, and Victor E. Green, Jr. and Robert Pfeiffer, Sr., trustees.

About one and a half years

## EPISCOPAL ORDINATION AT ST. PETERSBURG

Two deacons will be elevated to the priesthood of the Episcopal Church, next Monday, at the ordination of St. Peter's, St. Paul, the Apostle, at St. Peter's Church, St. Petersburg, Florida. They are the Rev. Hollis H. Buchanan, assistant at Trinity Church, Miami; and Sidney Lanier, assistant at St. Peter's, St. Petersburg. The ordaining bishop will be the Rt. Rev. Henry I. Lottitt, D.D., of the diocese of South Florida. This will raise the total number of priests serving in the southern half of the State to 99 who are ministering to 125 congregations.

## CHURCH GROUP ATTEND MEET IN FT. LAUDERDALE

Mr. and Mrs. Lonnie Warren, and daughter, Velma, Mrs. Della Altman and Mrs. Florence Moore attended a Missionary Service at the Church of God in Ft. Lauderdale Wednesday night. The speaker was the first pastor of the Church of God in Belle Glade, Rev. C. E. French, who is now an Indian missionary.

A Ladies' Aid Society was organized, which meets the last Tuesday of each month at the member's homes. A number of successful fund-raising projects have been undertaken by the group, although the emphasis at the meeting is on Bible study and selected topics.

The public is cordially invited to attend the ground-breaking ceremony for this new church which, it is hoped, will be an asset to the community, and fill a definite need for a church home by the many Lutherans of the Glades area. Construction will begin within the next few weeks.

## MRS. MALCOLM SPEAKS ON MISSION WORK

Mrs. U. W. Malcolm was the speaker at the General WMU meeting held Tuesday night at the First Baptist Church. In order to better acquaint the members with the work of foreign missions, Mrs. Malcolm took them on an imaginary trip around the mission fields of the world and as she knew many of the missionaries personally, gave a very interesting and informative talk. She also displayed gifts from many of the missionaries which she had received from missionary friends.

Preceding her talk devotionals were led by M. A. "John" Auckland followed by a duet by Suzanne and Moly Fore. Refreshments were served by the Gladys Smith Circle with Mrs. Roy Littlefield in charge. Mrs. Mills Byrom, program chairman, announced that Mr. Armand Ball, state Royal Ambassador's secretary, will be guest at the church on March 16th.

## NEW WORLD IN MOTION SHOWN BY CHEVROLET AT TAMPA STATE FAIR

"New Worlds in Motion," a \$100,000 Chrysler Corporation exhibit which tells the story of how an automobile is built, is scheduled to be seen at the 1954 Florida State Fair, Feb. 3 through Feb. 13, J. C. Huxsion, Fair manager, announced this week.

This huge display, which contains 100 devices that can be operated by spectators, will cover the entire 30,000 square feet of the newly named and redecorated Chrysler Building. This is the former Pan American Building.

Featured in the huge exhibition of automobile engineering, which is transported on 17 semi-trailer trucks, are Chrysler Corp. "dream" cars, and a specially built Plymouth chassis which is transported on 12,250 plastic parts make up this full-sized car.

This transparent car is exact in every detail to a production line Plymouth. It has been acclaimed, "one of the most remarkable demonstrations of how an automobile runs."

"New Worlds in Motion," which has been seen in 27 cities from coast to coast now making its first Tampa appearance, will be assembled by highly trained technicians and engineers from Detroit. The operation takes five days.

Other giant industrial and commercial exhibits to be seen by the 1954 fairgoers include: The Electrical Exposition, cigar making; Florida Liquefied Gas; Petroleum Assets; Florida Citrus Commission, Exchange and Mutual; St. Joe Paper Co.; and many others.

## YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU...

## 60 SECOND SERMONS

by Fred Dodge

TEXT: "I can forgive, but I cannot forget, is another way of saying 'I cannot forgive'." Henry Ward Beecher.

No doubt the clergyman in the following story didn't mean what he said. However, when he met a member of his church on the street, he was asked, "Preacher, when do you expect to see Deacon Jones again?"

The preacher replied said, "I am sorry to say that I will never see him again. Deacon Jones has gone to Heaven."

Time and again we say things we do not mean. Our slips of the tongue are picked up by others and hugged close until they form deep sores. Had we known that what we said would be misunderstood, we would have bitten our tongues first.

There are two lessons in this. One, that we should think carefully before we speak.

The darkness deepens; Lord, with me abide;

When others helpers fail, and comforts flee,

Help of the helpless, O abide with me!

Swift to us close abides life's little day;

Earth's joys grow dim, its glories pass away;

Change and decay in all around I see;

O Thou who changest not, abide with me!

I need Thy presence every passing hour;

Thou that art with me, though others be;

Thou that art with me, though others be;

Thou that art with me, though others be;

Thou that art with me, though others be;

Thou that art with me, though others be;

## Abide With Me

A sick preacher takes a walk

During the first half of the last century it was not uncommon for the townspeople of Birmingham, England, to see a frail middle-aged man stroll thoughtfully along the seashore. The mild-mannered man was the town's parson and he had taken his daily walks by the sea for 20 years. That was the way he worked out his sermons.

But on a Sunday afternoon in September, 1847, the Reverend Henry Francis Lyte took his walk with a heavy heart. He knew it was the last time he would see the familiar path. When he was 39 years old he had taken the little in Southern France two months after leaving Birmingham. He never reached Italy. In 1841 his poem came to the attention of a London publisher. Composed by William H. Monk set to music... this was born an immortal hymn.

At the morning service Lyte had conducted his last sacrament. And now, as he walked beside the sea, he made notes for his farewell message to friends whose joys and sorrows he had shared for nearly a quarter of a century. In Italy he would be among strangers. But the gentle monk knew where was his Friend who would go with him... "in life, in death," wherever he went. He put his sentiments on paper, gave the paper to a relative who put it away in a trunk. Henry Francis Lyte died in Southern France two months after leaving Birmingham. He never reached Italy. In 1841 his poem came to the attention of a London publisher. Composed by William H. Monk set to music... this was born an immortal hymn.

What but Thy grace can foil the tempter's power?

Who like Thyself my guide and stay can be?

Thro' cloud and sunshine, O abide with me!

Hold Thou Thy cross before my closing eyes;

Shine through the gloom, and point me to the skies;

Heaven's morning breaks, and earth's vain shadows flee;

In life, in death, O Lord, abide with me!

Abide with me; fast falls the eventide;

The darkness deepens; Lord, with me

abide;

When others helpers fail, and comforts flee,

Help of the helpless, O abide with me!

Swift to us close abides life's little day;

Earth's joys grow dim, its glories pass

away;

Change and decay in all around I see;

O Thou who changest not, abide with me!
